PROBABLY
NOT
GOING
AFTER
BIG SIS
ANYMORE.

HIS WAS
SO SCARED
HE LEFT
HIS WEAPON
AND RAN
WITH ALL
HE HAD.

IF HE
WAS OPERATING
SEPARATELY
FROM
KAWITACHI
THEN,
HE MIGHT
BE CLOSING
IN ON
BIG SIS.

MORE
IMPORTANTLY,
LET'S
SEARCH
FOR
INYUSAWI.

OH!
THE FOX
AND
HER HUSBAND SPLIT!

SHE IS LATE...
IS EVERYTHING
ALRIGHT?

Yo G-P here.

So how about that Easter? Hope ya have a good time. I've been taking it easy. Except for my diet. I gotta lose some weight, so no more carbs for me and exceptionally less alcohol for the time being. Life's pain. So yeah. Those two are finally done with and now back to the usual, leasurely life of Kitsune and Husband, heh? Well for now. The Tanuki is still running around. One single beer yesterday. And I got nothing for today.
Send help.

HE COULDN'T HANDLE THE FLUFF

That's where it all started. That smile.
